

Minutes of the City of Buffalo Streets Committee held at Buffalo City Hall on April 3, 2006

Meeting called to order by Chairman Dana Jo Smith at 7 pm. Present were committee member Judy Hammons, Director of Public Works Dwain Bollman, and City Clerk Bill Bowers.

### **City Wide Curb and Gutter**

The committee discussed the previous Curb and Gutter plan that had been implemented in previous years. The committee felt the first thing to do was to determine if the previous study could be used as a starting point.

Motion by Hammons to recommend to Council that the Director of Public Works work with the City Engineer to begin preparation of an annual Curb and Gutter construction program. Seconded by Smith and carried unanimously.

### **Culvert Cleaning**

The committee discussed alternatives to keeping the culverts in the city clear of debris. Bollman stated that he just didn't have the manpower to perform this task. Consensus of the committee was to hold this item and for Bollman and Bowers to review the salary accounts in the city budget to see if there were any funds to allow for the hiring of part time help to perform the culvert cleaning.

Motion to adjourn by Hammons at 8:20 pm. Seconded by Smith and carried unanimously.
