

Minutes of the Buffalo Streets Committee meeting held on July 25, 2006.

Meeting called to order by Chairman Dana Jo Smith. Present were committee member Judy Hammons, Director of Public Works Dwain Bollman, and City Clerk Bill Bowers.

Drainage on Y-40 and Y-48

Bollman explained that both Y-40 and Y-48 require drainage work before resurfacing can be done. Y-40 will cost \$33,695 and the entire cost will be borne by the City of Buffalo. Originally we expected to pay \$75,000 or so to resurface the road but the county will pay that expense. We only have to pay the expense for the drainage work.

Y-48 is not due to have resurfacing until 2009. However, if we do the preliminary work now, while the equipment is in the area, it will save money. How much is not known because we can't ask for a bid that will be good for 2 years, but it will be cheaper. Additionally, there is an old agreement with the Landfill that ½ the cost of repairs to Y-48 is to be paid by the Landfill. We have not found this agreement, but Bill is looking for it. The cost of the drainage work for Y-48 is \$74,519.

Motion to recommend to Council that the bid from Manatt's for the drainage work on Y-40 in the amount of \$33,695 be accepted by Hammons. Seconded by Smith and carried unanimously.

Motion to recommend to Council that the bid from Manatt's for the drainage work on Y-48 in the amount of \$74,519 be accepted, with the City paying \$37,260 and Scott County Landfill paying \$37,260 by Smith. Seconded by Hammons and carried unanimously.

Motion to adjourn by Hammons at 5:30 pm. Seconded by Smith and carried unanimously.

William Bowers
City Clerk
