

Minutes of the Buffalo Park Commission held on February 1, 2007.

Meeting called to order by Chairman Randy Lamar at 5pm. Present were committee members Doug Anderson and Dave Stickrod. Also present were Judy Hammons (for Christine Carson) and City Clerk Bill Bowers. Chris Carson arrived at the meeting at 5:20. Chad Agan and Gina Guizar were absent.

Berbach Aquatics

Committee directed Bowers to inform Berbach that no water project would be contemplated until the skate board park has been completed.

FY 07-08 Budget

Council met and discussed the budget. The Park budget has not been altered buy council but the budget has not yet been adopted.

West End Park

The Dual Action Climber was delivered and is being stored in the Gym. Randy or Doug will check with Dwain to make sure it's secured until installed.

BAC Update

The lights in the Gym now operate off a single switch. The cost was \$700.

Lower Diamond

The diamonds were discussed. In the spring the commission will work on improving the diamonds. Bowers stated that he received calls asking about using the diamonds. He referred them to Doug and Randy. Should many out of city groups request the diamonds, the commission will consider charging for the use.

Buffalo Beach

No report

Basketball courts

Lamar discussed resurfacing the courts before painting them. He's hopeful he can get help with the labor so the only expense is the materials.

Weeds on Riverfront

The commission discussed the riverfront, river crossings, and the low water crossing.

Skateboard Park

Two quotes were reviewed. Both allow for a phased approach to the park. The \$15,000 that is in the 07-08 budget will allow for a good start on the project.

Future Projects

The next meeting will be March 1, 2007 at 5 pm.

Motion to adjourn by Anderson at 5:20 pm. Seconded by Stickrod and carried unanimously.
