Basketball courts

Lamar is working with General Asphalt and Valley Construction about the resurfacing.

Skateboard Park

The Commission would like the kids in town to be able to vote on the configuration they would prefer. Bowers suggested that we hold the vote during May. Notices can be placed in the April and May newspapers alerting kids to come to City Hall and vote for their choice. This gives the Commission 2 months to firm up the quotes and scope of the project and one month after the vote to compile the results and prepare a recommendation to council for the July meeting. Voting will take place at City Hall and the Clerk's office will supervise the vote to insure that each person only gets to vote one time.

Grants

The Commission asked Bowers to prepare grants for the Skateboard Park and the Tennis Court resurfacing.

Outdoor Toilets

The Commission asked Bowers to contact Grass Groomers and ask for the following:

A Handicap unit in Buffalo Park
A regular unit at the Lower Diamond
A regular unit at the Beach

These should be in use from April 1 to September 1, with a possible extension if weather permits.
