West End Park

The Dual Action Climber will be installed when weather is good. The fence needs to be replaced. Doug will check with Dwain to see who is responsible for maintenance.

BAC Update

The gym will have the locks changed at the end of April. The park commission would like to hand over their responsibilities of the BAC to the City hall office.

Lower Diamond

The diamonds were discussed. In the spring the commission will spray to eliminate grass on the diamond. The next step will be to have new lime put down on the field.

Buffalo Beach

The commission discussed getting the tractor to the beach to till the sand. Due to liability reasons the commission is having problems getting someone to spray the weeds on the beach.

Basketball courts

The three bids Lamar received from Tri City Blacktop, Seven Hills Pavement Maintenance, and Illowa for resurfacing the area were discussed.

Weeds on Riverfront

The commission discussed the riverfront, river crossings, and the low water crossing.

Skateboard Park

Two quotes were reviewed. Both allow for a phased approach to the park. The \$15,000 that is in the 07-08 budget will allow for a good start on the project.
