

Minutes of the Buffalo Water and Sewer committee meeting held on July 12, 2007.

Meeting called to order by Chairman Judy Hammons at 2:40 pm. Present were committee member Dana Jo Smith, Director of Public Works Dwain Bollman, and City Clerk Bill Bowers.

Water and Sewer Rates

The Committee discussed the fact that both the Water and Sewer Utilities are losing money and should be breaking even. Currently there are no rate differences between classes (residential vs. commercial).

Bowers was directed to review the utility rates and prepare schedules showing options to improve the financial health of the utilities.

Motion by Smith to adjourn at 3 pm. Seconded by Hammons and carried unanimously.

William Bowers
