

Minutes of the Buffalo Ordinance Committee held on April 3, 2008.

Meeting called to order by Chairman Judy Hammons at 1 pm. Present were committee member Gina Guizar and City Clerk Bill Bowers.

Stop Sign in front of BAC

The stop sign in front of the BAC was removed during the construction of the new parking area. The committee discussed the options available to the city ~ removal, replacement, or relocation of the sign. The main concern was the speed at which people will drive past the BAC and the Park.

Consensus of the committee was to ask the Police Department to increase enforcement of the speed limit on Dodge Street before making any decisions about the sign.

Motion to adjourn by Guizar at 1:06pm. Seconded by Hammons and carried unanimously.
