

ORDINANCE # 263

AN ORDINANCE ALLOWING CERTAIN TYPES OF HEADSTONES TO BE PLACED IN ROSE HILL CEMETERY:

WHEREAS: The City of Buffalo is purchasing additional property or has purchased certain property to be developed into cemetery lots to be sold for burials and the remains of cremations.

AND WHEREAS: It is becoming more difficult and time consuming to cut the grass and properly trim around headstones now in place in Rose Hill Cemetery.

THEREFORE BE IT RESOLVED BY THE BUFFALO CITY COUNCIL:

All cemetery lots purchased in the new part of the cemetery, which are the two acres on the south side, shall be required to install only flat style headstones, level with the surrounding area, so that they shall not interfere with normal grass cutting operations. Anyone purchasing lots in the remainder of the cemetery may choose if they wish a flat headstone or the upright type headstone. All burials will still require a cement vault in the burial with the casket enclosed, as is required at this time.

This ordinance shall become effective upon passage and publication by law.

Any ordinance or parts of ordinances in conflict with this ordinance are hereby repealed.

Passed and approved by the City Council of Buffalo, Iowa, this 06 day of November, 1989.
