Minutes of the regular council meeting held December 09, 2024, at 6:00pm. Present council members Rachel Teel-Vanderpool, Austin Miller, Sean Roman, Trent Adams, and Mary Moore. Mayor Sally Rodriguez, Public Works Director Josh Ferkel, Police Chief TJ Behning, Fire Chief Doug Anderson, Engineer Mike Janecek, and Deputy City Clerk Judy Blessing were present as well.

Meeting called to order at 6:00 p.m. by Mayor Rodriguez.

Pledge of Allegiance

Consent Agenda

Motion by Teel-Vanderpool and seconded by Adams to approve the consent agenda. Carried unanimously.

Public Input

Principal Heidi Gilliland, Buffalo Elementary School, briefed the council on the Iowa School Performance Profiles, which is an online tool showing how public schools performed on required measures. The data showed the performance in the areas of Assessment Participation Science/Mathematics/English Language Arts/Composite; Attendance Growth, Chronic Absenteeism, Growth Mathematics/English Language Arts/Percent Proficient Science/Mathematics/English Language Arts for the state, Davenport Community Schools, and for Buffalo Elementary School. Buffalo Elementary School received a "Commendable" rating, which was the highest for Elementary schools in the Davenport School District. Principle Gilliland also showed the council designs of t-shirts to provide to the staff and students, depending on donations that will be received. Principal Gilliland was extremely proud of the staff and the students of this accomplishment.

Mayor Rodriguez had the following input:

She thanked all the folks that were involved with finishing painting the council room, which Sean Roman stated that besides himself, it was Rachel Teel-Vanderpool and her husband.

She thanked Tanna, her husband, Dad, and all others that helped volunteer for the concrete in the Terry Adam's Park for where the new playground equipment will be positioned.

She thanked the officers for continuing to monitor the traffic on Highway 22, to ensure that folks follow the speed limit.

She thanked Tanna and the Scott County Regional Authority for the grant of \$29,000 for the Streetscape project.

Project Updates – Street Scape

Janecek reported that he hasn't received approval from IDOT but should be very soon. Once they get the approval, they will put it out for bids.

Tree Invoicing

Motion by Moore to table the tree invoice considering the resident was not available. Seconded by Roman. Motion carried unanimously.

Waste Commission Presentation

Bryce Stalcup gave a presentation on how the landfill works. The landfill does not operate on taxes, but on fees generated by people using the landfill. Other income would be items they sell from their recyclables. Mr. Stalcup also stated that residents could take their household hazardous materials (paint, pesticides, HHM, sharps, fluorescent tubes, batteries, and automotive fluids) and electronics to the landfill, as well as the Scott County Recycle Center. They also have cleanup equipment/supplies and recycle containers for events. Mayor Rodriguez thanked the Waste Commission for being good neighbors and assisting Buffalo with the donated trees for the park, help during the flood, cleanup materials, and recycling containers.

Liquor License renewal Community Center

Motion by Adams to renew the Community Center's liquor license. Seconded by Teel-Vanderpool. Motion carried unanimously.

Furnace Quotes for Community Center
